

POLICY

Ditch Seeding on Construction

Policy No.	TS-110-03
Council Approval Date	5-May-03
Resolution No.	110-03
Supersedes Policy No.	
Last Review Date	11-Jun-25

1.0 PURPOSE:

- 1.1 The purpose of this policy is:
- To ensure good stewardship of Municipally owned land and prevent wind and soil erosion of the ditches, and maintain the integrity of all road allowances within the municipality.

2.0 RESPONSIBILITIES:

- 2.1 Chief Administrative Officer (CAO) is responsible for ensuring compliance with this policy.
- 2.2 Council is responsible for the review of this policy once per year, unless it is deemed that changes are required sooner.

3.0 IMPLEMENTATION-PROCEDURE

- 3.1 After road construction, the municipality will seed the ditches adjacent to the construction with a 4:1 crested wheat grass/alfalfa, or a 4:1 brome grass/alfalfa mix.
- 3.2 In the event that an abutting property holder desires a higher concentrate of alfalfa, and provided the property holder is willing to pay for the additional seed, the municipality will increase the ratio of alfalfa in the mixture.
